EDUCATION

M.Sc. in Geoinformatics

Technische Universität Dresden

📅 April 2015 – August 2017

B.Sc. in Geography, with a specialisation in computer science

Technische Universität Dresden

📅 October 2011 – March 2015

EXPERIENCE ABROAD

📅 October 2009 – August 2010

Work & Travel in Australia

For one year, I gave several surfing and climbing courses and explored the country.

INTEREST

I love to travel and combine this with climbing. Playing the piano and MTB riding are also part of my hobbies, as is a sociable cooking evening with friends.
